To Shareholders of Chaco Resources Plc ("the Company")

Dear Sir or Madam,

Notice of Annual General Meeting

1 2007 Annual General Meeting and Placing

You will find enclosed with this letter a copy of the Company's Annual Report and Financial Statements for the year ended 31 March 2007. This letter explains the business set out in the Notice convening the Company's Annual General Meeting for 28 June 2007 at 9.30 a.m. at The St Mellons Hotel, Castleton, Cardiff, CF3 2XR which is contained on page 12 of this document.

I am also pleased to advise you that today the Company announced that, through its brokers, Blue Oar Securities Plc, it is proposing to raise £15 million (before expenses) by way of a placing of 250 million ordinary shares at a price of 6p per share.

The Placing is conditional, among other matters, on shareholder approval, which is being sought at the AGM.

This letter also sets out below the background to and reasons for the Placing, and explains why the Directors believe that the Placing is in the best interests of the Company and Shareholders as a whole and why they recommend that Shareholders vote in favour of the Resolutions proposed at the Annual General Meeting.

Details of the Placing

Pursuant to the Placing, which is conditional, *inter alia*, upon Admission, the Company is raising £15 million at the Placing Price (£14,220,000 net of expenses excluding VAT) by issuing 250 million Placing Shares. Blue Oar has conditionally placed the Placing Shares with institutional and other investors including the Directors of the Company as set out below:

Giles Clarke: 2,500,000 shares;

Dick van den Broek (through a company controlled by him, DVDB Consultancies Limited): 300,000 shares;

Ms. Victoria Provis (wife of Dick van den Broek): 100,000 shares;

Dr. John Wardle: 1,000,000 shares;

Westleigh Investment Holdings Ltd (a company controlled by Giles Clarke and Nick Harrison): 1,000,000 shares; and

Nick Harrison: 250,000 shares.

The Placing is conditional, *inter alia*, upon:

- approval by the Shareholders of the allotment of the Placing Shares;
- the Placing Agreement becoming unconditional (save only for Admission); and
- Admission.

The Placing has not been underwritten. The Placing Shares will rank *pari passu* in all respects with the existing Ordinary Shares.

The Placing Agreement includes customary warranties and an indemnity given by the Company in favour of Blue Oar.

Reasons for the Placing

The net proceeds of the Placing will be used to assist the implementation of the Company's strategy. Specifically, the Directors believe that the Placing will enable the Company to:

- complete its initial programme of evaluation and appraisal of the Platanillo discovery in Columbia and commence production, which will require approximately £4.5 million;
- invest approximately £3 million to complete a full 3D seismic evaluation of the Fenix block in Columbia and, should the Company elect to enter Phase 2, to perform initial drilling on that block;
- invest approximately £5 million in new late-stage projects in Colombia where the Directors see a strong probability of production within 12 months of commencement. Within this £5 million, provision is expected to be made for a third well in Platanillo, if appropriate; and
- provide the Company with approximately £1.25 million of working capital.

Additionally, the Company intends to make further investments in Paraguay in surface geophysical evaluation and some focussed seismic surveys to support the Company in determining its future strategy in Paraguay.

The Directors, having consulted with the Company's advisers, have determined that, given the Company's requirement for significant capital in the near term to fulfil its current contractual obligations and future objectives, the most appropriate method of securing this funding is to raise money through a placing, rather than by way of a pre-emptive issue of shares.

Admission, Settlement and Dealings

Application will be made to the London Stock Exchange for the Placing Shares to be admitted to trading on AIM. It is expected that Admission will become effective and dealings will commence in the Placing Shares on 29 June 2007.

Placees who wish to hold their Placing Shares in uncertificated form will have their CREST accounts credited with the Placing Shares on 29 June 2007.

It is expected that certificates in respect of Placing Shares which Placees wish to hold in certificated form will be posted by 13 July 2007.

2 Ordinary Business at the AGM

Resolution 1

The Directors are required by law to present to the meeting the Company's Accounts and Report of the directors and auditors for the year ended 31 March 2007.

Resolutions 2 and 3

Graeme J. Stephens and Victor M. Valdovinos retire as directors by rotation and will stand for re-election in accordance with the Company's Articles of Association.

Resolution 4, 5, 6 and 7

Giles Clarke, Dick van den Broek, Nick Harrison and Dr. John Wardle, who were each appointed a director by the Board following the Annual General Meeting of the Company held in 2006 retire as directors and will stand for re-election, in accordance with the Company's Articles of Association.

Resolutions 8 and 9

The Company is required to appoint auditors at each general meeting at which financial statements are presented. These resolutions propose the re-appointment of the Company's existing auditors, Grant Thornton UK LLP, and follow standard practice in giving authority to the board to determine their remuneration.

3 Special Business at the AGM

Resolution 10

It is proposed that the authorised share capital of the Company be increased from £700,000 to £1,250,000 by the creation of an additional 550,000,000 ordinary shares of 0.1p each in the capital of the Company.

Resolution 11

The issued share capital as at 4 June 2007 was 556,434,554 ordinary shares of 0.1p each.

It is proposed that, subject to Resolution 10 having been passed, the Directors will be generally authorised for the purposes of section 80 of the Companies Act 1985 (the "Act") to allot ordinary shares, or to grant options to subscribe for ordinary shares, having an aggregate nominal value equal to £500,000 (approximately 62 per cent of the enlarged issued ordinary share capital). However, excluding new ordinary shares to be allotted pursuant to the Placing and excluding ordinary shares reserved for the exercise of share options and additional ordinary shares reserved for allotment in respect of the outstanding consideration which will become due under the terms of a share purchase agreement dated 27 September 2004 (the "Agreement") in the event that certain conditions are satisfied in relation to the actions of the government of the Republic of Paraguay to secure the concession rights of Bohemia S.A., the Directors will have authority to allot ordinary shares with an aggregate nominal value of £190,322.53 (approximately 23.60 per cent of the Enlarged Issued Share Capital).

Resolution 12

The provisions of section 89(1) of the Companies Act 1985 (the "Act") to the extent that they are not disapplied, confer on shareholders rights of pre-emption in respect of the allotment of equity securities which are, or are to be, paid up wholly in cash. Pursuant to this resolution, and subject to Resolutions 10 and 11 having been passed, the provisions of section 89(1) of the Act will be disapplied in respect of the Placing Shares and will be generally disapplied in connection with a rights or other pre-emptive issue, the allotment of new equity securities pursuant to the exercise of existing options over 50,570,000 Ordinary Shares of 0.1p in the capital of the Company, the allotment of 9,107,468 Ordinary Shares of 0.1p in the capital of the Company pursuant to the terms of the Agreement and any other issue of equity securities for cash which, when taken with other equity securities allotted for cash during the period of disapplication, do not in aggregate

exceed a nominal value of £80,643.45 (being 80,643,455 Ordinary Shares, approximately 10% per cent of the Enlarged Issued Share Capital). The authority sought by this resolution will last until the conclusion of the next Annual General Meeting of the Company or, if sooner, 15 months after the passing of the resolutions.

Resolution 13

The name of the Company be changed to Amerisur Resources PLC.

Resolution 14

A special resolution will also be proposed to amend the Articles of Association of the Company. The purpose of the resolution is to allow the Company to take advantage of the new Companies Act 2006 (the "2006 Act") rules for communications between companies, shareholders and others that came into force on 20 January 2007.

The key change made by the 2006 Act is that the Company will be able to send notices and other documents to shareholders by publishing them on its website, provided that certain conditions are met and procedures are followed. One of the conditions in the 2006 Act is that the Company's shareholders have resolved that the Company may send or supply notices or documents to members by making them available on a website. Accordingly, shareholders are being asked to do this by approving relevant amendments to the Company's Articles of Association.

The proposed amendments to the Company's Articles of Association cover all notices or documents (other than share certificates) that the Company may send to shareholders. This includes, but is not limited to, annual accounts and reports, notices of general meetings and any documents which the Company is required to send to shareholders under the Act, the AIM Rules or other relevant regulations to which the Company is subject.

The resolution will propose that the Company's existing Articles of Association be amended in the following manner:

The definition of "CA 1985" which appears in Article 2.1 be and is hereby deleted in its entirety and substituted with the following definition in its place:

"“CA 1985” means the Companies Act 1985, as amended restated or re-enacted (including pursuant to the Companies Act 2006) from time to time;”

The definition of "writing or written" which appears in Article 2.1 be and is hereby deleted in its entirety and substituted with the following definition in its place:

"“writing or written” means written or produced by any substitute for writing or partly one and partly another;”

Article 158 be and is hereby deleted in its entirety and substituted with the following Article 158 in its place:

“158.1 This Article applies to every balance sheet and profit and loss account to be laid before the Company's shareholders at a General Meeting and any other document which is required by law to be comprised therein or attached or annexed thereto.

158.2 Copies of the documents set out in Article 158.1 must be made available to the Company's shareholders and debenture holders and all other people to whom the Articles, or the legislation, may so require. This must be done at least 21 days before the relevant General Meeting. The Company need not make these documents available to any person for whom the Company does not have a current address and it is not required to make them available to more than one joint holder of shares or debentures but any member or holder of debentures to whom a copy of such documents or any substitute permitted by the Statutes has not been made available

shall be entitled to receive a copy free of charge on application at the Office. For these purposes "made available" means being sent by post or any other means permitted by the legislation (including by electronic communications or by making them available on a website)."

Articles 161 and 163.1 be and are hereby deleted in their entirety and substituted with the following Article 161 in their place:

"161.1 Any notice or document (including a share certificate) may be served on or delivered to any member by the Company either personally or by sending it through the post in a prepaid cover addressed to such member at his registered address, or (if he has no registered address within the United Kingdom) to the address, if any, within the United Kingdom supplied by him to the Company as his address for the service of notices, or by delivering it to such address addressed as aforesaid or subject to the Statutes, electronically to an electronic address or facsimile number notified to the Company by the shareholder for this purpose provided that a share certificate may only be delivered personally or by post. In the case of a member registered on a branch register any such notice or document may be posted either in the United Kingdom or in the territory in which such branch register is maintained. Where a notice or other document is served or sent by post, service or delivery shall be deemed to be effected at the expiration of twenty-four hours (or, where second-class mail is employed, forty-eight hours) after the time when the cover containing the same is posted and in proving such service or delivery it shall be sufficient to prove that such cover was properly addressed, stamped and posted. Where a notice or document is sent electronically service or delivery is deemed to be effected at the time of transmission and in proving such service or delivery it shall be sufficient to show the sender's equipment indicates successful transmission. The accidental failure to send, or the non-receipt by any person entitled to any notice of or other document relating to any meeting or other proceeding shall not invalidate the relevant meeting or other proceeding. Any notice or other document may be served or delivered by the Company by reference to the register of members as it stands at any time not more than 15 days before the date of service or delivery, no change in the register of members after that time shall invalidate that service or delivery.

161.2 Subject to the Statutes and Article 161.1 above, the Company may also send any notice or other document pursuant to these Articles to a member by publishing that notice or other document on a website where:

- a) the Company and the member have agreed to him having access to the notice or document on a website (instead of it being sent to him);
- b) the notice or document is one to which that agreement applies;
- c) the member is notified, in a manner for the time being agreed between him and the Company for the purpose, of;
 - i) the publication of the notice or document on a website;
 - ii) the address of that website; and
 - iii) the place on that website where the notice or document may be accessed, and how it may be accessed;
- d) the notice or document is published on that website throughout the period beginning with the giving of that notification and ending with the conclusion of the meeting to which it relates, and provided that, if the notice or document is published on that website for a part, but not all of, the publication period, the notice or document shall be treated as being published throughout that period if the failure to publish that notice or document throughout that period is wholly attributable to circumstances

which it would not be reasonable to have expected the Company to prevent or avoid; and

- e) a notice treated in accordance with this Article as sent to any person is to be treated as so sent at the time of the notification mentioned in Article 161.2(c).

161.3 Any notice given to that one of the joint holders of a share whose name stands first in the Register of Members in respect of the share shall be sufficient notice to all the joint holders in their capacity as such. For such purpose a joint holder having no registered address in the United Kingdom and not having supplied an address within the United Kingdom for the service of notices shall be disregarded.

161.4 This Article applies to a shareholder whose address on the Register is outside the United Kingdom. He can give the Company a United Kingdom address where notices or documents can be given to him. If he does, he is entitled to have notices or documents given to him at that address. Otherwise, he is not entitled to receive any notices, electronically or otherwise, from the Company.

161.5 If on three consecutive occasions notices or other documents have been sent through the post to any member at his registered address or his address for the service of notices but have been returned undelivered, such member shall not thereafter be entitled to receive notices or other documents from the Company until he shall have communicated with the Company and supplied in writing a new registered address or address within the United Kingdom for the service of notices.”

4 **Action to be Taken**

Shareholders will find enclosed with this document a Form of Proxy for the Annual General Meeting. **Whether or not you intend to be present at the meeting, you are requested to complete, sign and return the Form of Proxy in accordance with the instructions printed on it. The Form of Proxy should be returned to Proxy Processing Centre, Telford Road, Bicester, OX26 4LD (or by hand to Capita Registrars, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU) as soon as possible and, in any event, so as to arrive not later than 9.30 a.m. on 26 June 2007.** The completion and return of a Form of Proxy will not preclude you from attending the meeting and voting in person should you wish to do so.

5 **Recommendation**

The Directors consider that the proposals set out in the Notice of Annual General Meeting are in the best interests of the Company and its shareholders as a whole. Your Directors unanimously recommend you to vote in favour of the resolutions, as they and those connected with them intend to do in respect of their own beneficial shareholdings, which amount in aggregate to 7,520,601 Ordinary Shares, representing approximately 1.35 per cent. of the issued share capital of the Company.

Yours faithfully,

Giles Clarke
Chairman

Where a notice or document is sent electronically service or delivery is deemed to be effected at the time of transmission and in proving such service or delivery it shall be sufficient to show the sender’s equipment indicates successful transmission. The accidental failure to send, or the non-receipt by any person entitled to any notice of or other document relating to any meeting or other proceeding shall not invalidate the relevant meeting or other proceeding. Any notice or other document may be served or delivered by the Company by reference to the register of members as it stands at any time not more than 15 days before the date of service or delivery, no change in the register of members after that time shall invalidate that service or delivery.

161.2 Subject to the Statutes and Article 161.1 above, the Company may also send any notice or other document pursuant to these Articles to a member by publishing that notice or other document on a website where:

- a) the Company and the member have agreed to him having access to the notice or document on a website (instead of it being sent to him);
- b) the notice or document is one to which that agreement applies;

- c) the member is notified, in a manner for the time being agreed between him and the Company for the purpose, of;
 - i) the publication of the notice or document on a website;
 - ii) the address of that website; and
 - iii) the place on that website where the notice or document may be accessed, and how it may be accessed;
- d) the notice or document is published on that website throughout the period beginning with the giving of that notification and ending with the conclusion of the meeting to which it relates, and provided that, if the notice or document is published on that website for a part, but not all of, the publication period, the notice or document shall be treated as being published throughout that period if the failure to publish that notice or document throughout that period is wholly attributable to circumstances which it would not be reasonable to have expected the Company to prevent or avoid; and
- e) a notice treated in accordance with this Article as sent to any person is to be treated as so sent at the time of the notification mentioned in Article 161.2(c).

161.3 Any notice given to that one of the joint holders of a share whose name stands first in the Register of Members in respect of the share shall be sufficient notice to all the joint holders in their capacity as such. For such purpose a joint holder having no registered address in the United Kingdom and not having supplied an address within the United Kingdom for the service of notices shall be disregarded.

161.4 This Article applies to a shareholder whose address on the Register is outside the United Kingdom. He can give the Company a United Kingdom address where notices or documents can be given to him. If he does, he is entitled to have notices or documents given to him at that address. Otherwise, he is not entitled to receive any notices, electronically or otherwise, from the Company.

161.5 If on three consecutive occasions notices or other documents have been sent through the post to any member at his registered address or his address for the service of notices but have been returned undelivered, such member shall not thereafter be entitled to receive notices or other documents from the Company until he shall have communicated with the Company and supplied in writing a new registered address or address within the United Kingdom for the service of notices.”

Notes:

- 1 Any member of the Company entitled to attend, speak and vote at the above-mentioned meeting may appoint a proxy to attend and, on a poll, vote instead of that member. A proxy may demand, or join in demanding, a poll. A proxy need not be a member of the Company.

- 2 To be valid, a form of proxy, together with any power of attorney or other authority (if any) under which it is signed, or notarially certified copies of such power of attorney or authority must be deposited at Proxy Processing Centre, Telford Road, Bicester, OX26 4LD (or by hand to Capita Registrars, The Registry, 34 Beckenham Road, Beckenham, Kent, BR3 4TU) not later than 48 hours prior to the commencement of the Annual General Meeting. Completion and return of a form of proxy will not prevent a member from attending the Annual General Meeting and voting in person.
- 3 In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, will be accepted to the exclusion of the votes of any other joint holders. For these purposes, seniority shall be determined by the order in which the names stand in the register of members in respect of the joint holding.
- 4 In the case of a corporation, the form of proxy must be executed under its common seal or signed on its behalf by a duly authorised attorney or duly authorised officer of the corporation.
- 5 As provided with Regulation 41 of the Uncertificated Securities Regulations 2001, only those members registered in the register of Members of the Company 48 hours before the time set for the meeting shall be entitled to attend and vote at the Meeting in respect of the number of shares registered in their name at that time. Changes to entries on the relevant register of securities after that time shall be disregarded in determining the rights of any person to attend or vote at the Meeting.
- 6 CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) of the meeting by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with CRESTCo's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID RA10) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that CRESTCo does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
